Letter from the Superintendent of Police, Bellary
to the Executive Engineer, Bellary Division C. No.
1520 of 98 dated 22.7.98.
Sent

I have the honor to request you will see
to goods as to have the following requirements
for the new Police Station at Adoni supplied
at an early date. 4 Pad locks for the cells
4 Hooks or Bows for the ventilators to prevent
rain beating in.

2 Hooks on which to hang the notice boards
outside. 2 Hooks on which to hang boards in
the hall. 2 Hooks on which to hang P.O. list
in the hall. 1 Sword rack for 8 swords.

igno

Letter from the Executive Eng^r in Bellary Division
to the Superintending Engineer III rd circle Bellary
No. 5676 dated 22nd July 1898.

I have the honour to forward copy of a letter
received from the Superintendent of Police Bellary
asking for ^{certain} fixtures to be provided to the Police
station at Adoni lately handed over to
the Police Department. I have ordered an
Estimate for all his requirements except pad-
locks, to be prepared but consider it advisable
to point out that all hooks, jacks, and run-
swades asked for by him are probably also
required in all other newly constructed Police
stations built on standard plans.

I would therefore suggest that after consulting
the Inspector General of Police such fixtures
as may be considered necessary may be
provided in the standard Estimate. They
can then be fitted up during the construction
of the building which in the case of stone
walls will cause a good deal of trouble.
No 16534 Dated 5 August 1898.

Forwarded to the Chief Engineer P.W.D.
for favour of orders. The undersigned
recommends that the standard designs
and specifications for Police stations be

1332/59
16534/59
1332/59

has revised and brought up to date. The latest designs appear to be those circulated with C.O. 425 W. of 26.2.80.

No. 492.

CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,

MADRAS, 4th February 1899.

FROM H. D. Stuart
M. HAMMICK, I.C.S., Esq., I.C.S.

Sg. INSPECTOR-GENERAL OF POLICE,

Madras,

To

THE Chief Secretary
to Government,
Fort Saint George.

1642 of 8th Sep 99.

SIR,

ENCLOSURES.

With reference to your Memo, No. 1880, Judicial, dated 31st August 1898, relating to the standard design for station-houses I have the honour to suggest the following improvements, which I consider very necessary.

(1) All station-houses (1st, 2nd and 3rd class) should have a window in the back wall of the guard room with iron bars and shutters inside.

(2) The verandah should be widened allowing 4' for third class and 8' for second and first class stations. The present verandahs are far too narrow as the cleaning of arms and accoutrements, the examination of kits &c are done in the verandah.

(3) The flooring of all lock-ups should be slightly sloped with a small drain hole for cleaning out. This is especially required in Town Police stations, where drunken prisoners are often confined for the night.

(4) The following fixtures are necessary.

(a) A sword rack in accordance with the enclosed sketch which is in use in North Arcot^{and} provides for dark lanterns, pouches, handcuffs, batons as well as swords being hung on it.

(b) A carbine rack at stations where carbines are sanctioned.

(c) Two strong hooks in the verandah for notice boards.

(d) A beading inside the station 2" wide with 10 studs and 10 notice boards. 2'-6" x 1'-9".

(e) Two large notice boards 4' x 4' to hang outside.

(f) Shelves for records room and Inspector's room in first and second class station houses.

(g) A hooked rod in the centre of the main room for hanging lamp.

The pegs for accoutrements provided for in the present plans are not required.

3. If my suggestions meet with the approval of Government, I request that orders may issue in the Public Works Department for the revision of the standard plans and estimates for station houses accordingly.

4. I regret the delay in replying to the reference; it is due to the fact that a number of officers had to be consulted on the matter.

I have the honour to be,
Sir,

Your most obedt. Servant,

Douglas Robertson

for Ag. Inspector General of Police.

S.R.S.K.

P.S.
