Repairing the cross track on

No 440 Register No 6 of 98/99.

With reference to para 2 of
your No 548 of 29-8-98 I have
the honor to inform you that the
grant of Rs 548 sanctioned
for the above work in No 1507 W
of 16-6-98 is made up as follows
Cost of repairs as per estimate Rs 440.
23% for establishment — Rs 101
1 1/2% for tools & plant — Rs 7
Total Rs 548

2. As observed, no charges for
establishment & tools & plant
are leviable on such works. I have
the honor to request that you will
kindly arrange to surrender to govt
the sum of Rs 108 allotted in
excess of the Rs 548 on account
of establishment & tools & plant

for this work.

3. It will be thus seen that the existing grant of this Division for works & repairs under incorporated Local funds is only Rs 4435 & not Rs 4523 and this figure will therefore be shown in future accounts and progress reports.

4. As this is a case in which the grant for works & repairs is not affected, the usual modification statement in form 41A is not submitted.
