FURTHER PAPERS.

Letter from Mr. C. H. B. Burlton,
Executive Engineer, Coimbatore
Division, No. 648, dated 10th Feby 99.

I have the honour to state that Mr. S. Gibson the Head Clerk of this office having proceeded on two months' privilege leave from 4th October 1898, it was necessary to appoint another clerk to act for him from the date of his availing himself of the leave till 1st November 98 owing to pressure of work in the office. Although Mr. Gibson had obtained 2 months' leave to recruit his health he intended to return to duty at the expiration of one month if he felt better by that time, but as there was no improvement in the state of his health at the end of one month he was consequently compelled to avail himself of the second month's leave also. He now states that if he had known that the charge for the entertainment of the clerk appointed to act for him would be

he retrenched in the event of his taking two months, he would, although not feeling fit, have joined the office at the end of the first month's leave.

As a deduction of Rs 28-1-7 from his pay in any one month bears heavily upon him, for he has large family, I request that you will please obtain sanction of Government as a special case for the amount in question being recovered from him in three monthly instalments commencing from March 1899.

No. $\frac{80}{W}$ dated 16th February 1899

Copy forwarded to the Chief Engineer: P.W.D for favour of sanction as a special case.
