Note. The establishment proposed for 1899-1900
is the same as that sanctioned for 1898-99 with the
following exceptions:—

(1) Mr. Ashpitel proposes an increase of Rs 5
per mensem to the second draftsman,
thus raising his pay from Rs. 25 to Rs.
30.

2.

2. He also proposes to raise the salary of the tracer from Rs. 15 to Rs. 25.

It is explained that the two men were given low pay at first as they had to learn their work. The pay now proposed appears to be reasonable. The increase is recommended.

NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.
