was locked up in the resthouses.
Under G.O. No. 1724⁺ to dated 7th July
1898, the furniture in question has
to be accounted for by the P. W. Dept.
A watchman at each of the rest
houses is therefore necessary. The
pay of the watchmen will be debited
to the grant for Imperial Military
Works.

Letter from C. H. B. Burlton Esq
Executive Engineer Coimbatore Division
to the Supg Engineer 4th Circle, Coimbatore
No 4957 dated 7th November 1898.

I have the honor to forward
herewith a proposition statement
for a watcher at each of the Rest
camps at Pothanur and Metturpalai-
yam, and to state that previously
there was no necessity for the watcher
at these places as the furniture was
handed over to the Commissariat
agents preparatory to the trooping
season and at other times it was
locked up in the rest-houses.

2 But as the furniture in question
has to be accounted for by this Depart-
ment with reference to G. O. No 1724
dated 7th July 1898 communicated to
me with your endorsement No 502
dated 21st July 1898, a watcher at
each of the above Rest camps is

The Chief Engineer
I.W. Department.

Enclosures.

Sir,

In reply to your M. 5652 C dated 14 December 1898, I have the honor to inform you that the Chief Commissariat Officer Southern District Wellington reports that the Commissariat Agents can no longer be in charge of furniture as it is not "Commissariat Supply".

2. As the Agents are at the Rest Camp all the year round, it does not seem right that a technical objection of this kind should involve Government in the expense of providing Watchers.

I have the honor to be
Sir

Your most obedient servant
Adams.

Superintending Engineer. W/4
