SIR,

I have the honor to bring to your notice that in November last MRR A. Theyagarajier Accountant 5th grade of the Gaujam Division was transferred to South Arcot, vice MRR J. K. Raghavendra Rao posted to Gaujam. The latter joined the Division on the 24th November 1898 and should have assumed charge on that date, but as there had been considerable confusion on the occasion of the last transfer of accountants, the Executive Engineer directed that the transfer should not be completed until he had examined the office on his return to head quarters. There was consequently

consequently a delay of 8 days.

2. The Examiner P.W. Accounts says that sanction of Government to the period of detention of M.R. A. Theagarajier is necessary in this case.

3. The explanation of the Executive Engineer in his No. 4314 of 19-12-98 for the delay is enclosed and I have the honor to request that you will be good enough to obtain the necessary sanction.

I have the honor to be,
