

Public Works (1899) Department.

G.O., No.

652 W

DATED

2nd March 1899.

[Despatch Abstract.]

Subdivisions of the Pishua D.L.

Letter from the Superintending Engineer, P. D. Civil,
Suggesting certain alterations in the Pishua D.L.
of the ———, handed, with remarks.

W/B

2/6/92

BEZWADA, 16th February 1899.

From

J. Hannan Esq

SUPERINTENDING ENGINEER.

II CIRCLE,

To

THE

Chief Engineer
Public Works Department.

SIR,

Enclosures.

I have the honor to bring to your notice that Mr. Wilson says he is unable to work the Head-Quarters Sub-Division now that is amalgamated with the Northern Sub-Division. He wants it constituted again into a separate Sub-Division with a Sub-Division officer in charge. He also proposes that the Workshops should be made over to Capt. Ellis. Capt. Ellis informs me, that now his investigation of project work is so advanced, he will, if required, be able to resume his old charge of the Head-Quarters Sub-Division, without prejudice to his project work. He also considers it necessary to have a Sub-Division officer at Head-Quarters.

After consideration I am of opinion
that the best plan will be for Capt
Ellis to resume charge of the Head-Quarters
Sub-Division from 1st April next and
to revert to the original arrangements
of the two Divisions.

Mr Wilson has, I consider, shown
practically during the last year
that it is not desirable to extend his
charge.

I request that you will issue
early orders accordingly or in accordance
with what you think best, after consider-
ing the opinions of myself and the
officers concerned.

I have the honor to be
Sir.

Your most obedt Servt

W. A. Munn
Superintending Engineer.
