Sir,

With reference to the Blocks, ~~iron~~^{cast iron}, for 1" wire rope demanded in the Public Works Indent No.1. dated 9th March 1898, item 818 and alluded to in your letter No.2502 W of 28th September 1898, I have the honour to inform you that a tender has been obtained from Messrs Bullivant, the price being ^{s d} 27/6. each for single blocks and ^s 42/- each for double blocks and ^s 15/- for wood case and packing. This price so much exceeds your estimate (^s 30/- for the whole), that it appears doubtful whether Messrs Bullivant have rightly understood your requirements.

I enclose a sketch of the blocks which are offered, and shall be glad to know if they will suit the requirements of the Public Works Department. If not, a rough sketch of the blocks required should be furnished. Pending your reply the supply of this item is necessarily suspended.

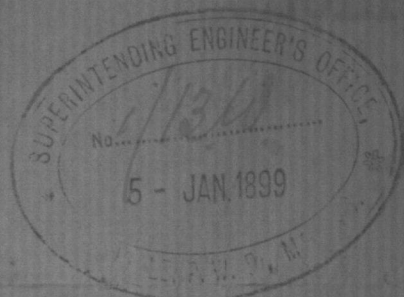

I may observe that it is assumed that the blocks are for use with steel wire rope.

I have the honour to be, Sir,

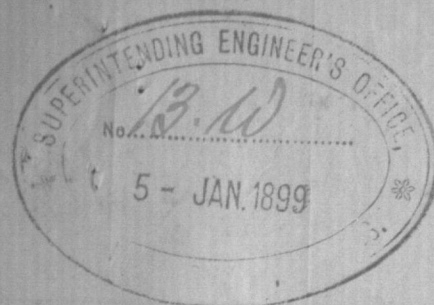

Your obedient Servant,

The Secretary
to the Government of Madras,
Public Works Department,
