FROM

W. C. De Morgan Esq. & Co. Ld.
THE SUPERINTENDING ENGINEER

FIRST CIRCLE,

TO

THE CHIEF ENGINEER

FOR IRRIGATION

WALTAIR,

Camp.

6th July 1897.

SIR,

I have the honor to submit herewith an estimate amounting to Rs 2,005 for constructing one first class and three 2nd class ballacents for the marginally noted ferries in the Godavari Western Division, and to request that sanction of Government be obtained.

2. These new ballacents are required to replace those condemned as irreparable during the last closure of canals.

I have the honor to be,

Your most obedt servant,

W. C. De Morgan

Superintending Engineer
First Circle
