PUBLIC DEPARTMENT.

READ—the following paper:—

From A. H. L. FRASER, Esq., C.S.I., Officiating Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Calcutta, 11th February 1899, No. 332.

With reference to the rules laid down in paragraph 2 of the (Home Department) Resolution of the Government of India, No. ^{5-Public}₂₃₄₋₂₅₂ dated the 28th February 1897, to regulate the procedure to be followed in the case of a military officer whom a Local Government may wish to remove from civil employment for misconduct, I am directed to state that the Governor-General in Council has observed that while the action taken by the Local Government in a case which recently occurred was a literal compliance with the provisions of Rule I of the rules above referred to, yet it could not be regarded as adequate in view of the requirements of Rule II. His Excellency in Council considers that it is essential that the report submitted under the former rule should be a sufficiently "full report as to the circumstances of the case" to enable His Excellency the Commander-in-Chief to form an opinion as to which of the three courses indicated in Rule II he will recommend to the Government of India. To enable the Local Government to submit such a report it must sometimes be necessary to conduct a full preliminary inquiry through the departmental superior of the officer concerned or through some other selected officer. I am to request that, with the permission of the Governor in Council, a sufficiently full report of any case which may occur in future may be submitted as explained above.

ORDER—No. 236, Public, dated 24th February 1899.

Recorded, with reference to G.O., No. 316, Public, dated 20th March 1897.
