2 Land Transfer statement No 12/98 is also sent in duplicate our copy to be returned duly signed by the Collector when the transfer has been completed. The Resident Engineer of Division A at Buddalore will hand over the land on behalf of the Company.

3 It has been arranged with the Executive Engineer and must be clearly understood by the Public Works Department, that the land is given up on condition an efficient screen is provided by that Department between the proposed road and the Railway line to prevent horses being frightened by passing locomotive engines.
