From

THE VENERABLE W. WESTON ELWES, M.A.,

Archdeacon of Madras,

To

The Honorable
The Chief Secretary
to Government.

Sir,

I have the honor to acknowledge the receipt of your Endorsement N^o 624 dated 3rd March 1899 forwarding a letter N^o 768 D of the Superintending Engineer III Circle asking for three enclosures concerning the Budhawarfeh Cemetery which enclosures the Superintending Engineer III Circle thinks are in my office.

2. I have the honor to state that I received a letter dated 12th April 1898, from the Superintending Engineer 3rd Circle, Bellary in which he forwarded the following enclosures described in his letter in the following way:-

- (1) Tracing of site plan.
- (2) — Do — of anam (sic) buildings
- 1 — Do — of roof diagram
- 1 Detailed Estimate with Abstract.
- 1 General Abstract.
- 1 Data
- 1 Report
- 1 Specification.

Ans. 2
1559/55

Total according to the Superintending Engineer's
reckoning nine Enclosures.

3. On May the 9th 1898 with my Letter N^o 4447
I forwarded all these enclosures to Government. My
records show that with this letter ten enclosures
were forwarded although I did not keep the de-
tails. I have no doubt the difference between
myself and the Superintending Engineer III Circle
of one enclosure arose thus. I should count
the Detailed and Abstract estimate as two
and he counts it as one. But it is perfectly
clear from my records that all papers I received
from him were forwarded to Government.

4. I have the honor to state that I telegraphed
to Government on September 28th 1898 con-
cerning this matter.

I have the honor to be,
Sir,
Your most obedient servant,
