Letter from the Executive Engineer, Coimbatore
Sd, 12-968 d/2nd march/99:—

I have the honour to report that after inspecting the following works this morning I find it necessary to make the following sur-
=renders.

- (1) Providing an impervious flooring of cut stone slab in the Hospital wards of the Central Jail, Coimbatore - Surrender Rs 500, because the Contractor has failed to collect materials and cannot collect balance in the time.
- (2) Deepening the main gate well in the Central Jail, Coimbatore - Surrender Rs 2000.

About $\frac{P}{2}$ 1900 can be spent on works but the general Superintendent of the P.W. Workshops states that he can spend nothing this official year.

No $\frac{120}{W}$ dated 3rd March 1899

Copy communicated to the Chief Engineer, P.W.D., for favour of sanction.
