With reference to the
Hon'ble Mr Arundel's remarks

FOR ORDERS.

Mr. J. Z. Somers Esq.
Executive Engineer on special duty at Ootacamund, ap
(1) for furlough for 15 months with effect from the 22nd 9 1899, &
(2) for permission to withdraw Rs 2500 from the Civil Eng Provident Fund to pay passage of himself & family to England & back.

As regards first request, he reports entire the work in his charge, which he finished before he leaves as his health requires him to visit Europe, the furlough applied for may be sanctioned.

With reference to his second request, Rule 6 A of Appendix

P.W.
 Indix D, Vol I of the Code
 is down that the equivalent
 of a passage by sea
 alone be permitted to
 withdrawn. It has been
 retained that the expenses
 of the passages for Mr Somers & his
 family to England back
 amount to Rs 2,479, & it
 submitted that he may
 allowed to withdraw this
 amt. This withdrawal is
 ed by the amount at
 Somers & his credit in the
 Provident Fund.

I see that Rule 6 (ii)
 says that money can be
 withdrawn "to pay for the
 passage of any member
 of the depositor's family
 * * * going beyond the
 sea, sick, or from some
urgent cause." Rule

6 A is of course based
 on this.

Is the departure of the depositor
 on furlough without medical
 certificate admitted as
 such "an urgent cause"?
 If so there should be
 a precedent. Mr. Govt.

of D. in L.O. 1611 W. of
 23rd July '95, say that
 "the discretion as to
 withdrawals * * * is
 used too freely."

1. Sir,

I have the honor to forward an application for furlough which I request you will recommend. I should have preferred to go earlier but should not have finished the works in my charge. I hope to finish all, but the laying of pipes for the Kodapamund Water Supply depends on an agreement being come to with the Tazhirodat of Kori, which has not been quite settled as yet.

2. I have only had one year's furlough in my service of 16 years, & some 5 months privilege leave and the state of my health certainly requires a change to Europe.

I request to know if my calculation for Subsidiary leave as calculated in the margin is correct. This will set me free on April 8th.

J

I further request you will be good enough to recommend me for a withdrawal of Rs 2,500 from the Provident Fund to pay for myself, wife & child to England & back. I can assure you that this is absolutely necessary and that I cannot go without it.

I enclose two medical certificates showing the necessity of our proceeding to England.

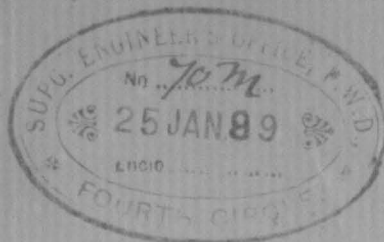

I have the honor to be,
