PUBLIC DEPARTMENT.

CIRCULAR No. 2225.

The following procedure will be adopted in future with respect to the republication in the *Fort St. George Gazette* of items in the *Gazette of India* which affect the Madras Presidency :—

(*a*) *Personal notifications relating to officers serving under the Government of Madras or to Madras officers serving in other provinces, and departmental notifications affecting the Madras Presidency.*—The selection for republication of these items will, as at present, rest with the department concerned.

(*b*) *Proceedings of the Supreme Legislative Council.*—The republication of these will be arranged for in the Legislative Department.

(*c*) *Bills of the Government of India.*—The republication in the *Fort St. George Gazette* in English and in such of the vernaculars as may be necessary of Bills which are forwarded to this Government for opinion is now ordered by the department receiving the Bill, and no alteration in this procedure is needed. The republication of Bills which may affect Madras, but which have not been forwarded for opinion, will be arranged for in the Legislative Department, but as the latter department may in some cases mark for republication Bills which other departments have already ordered to be republished, the Superintendent, Government Press, will see that Bills are not republished twice over.

(*d*) *Acts of the Government of India.*—The republication of Acts will rest with the Legislative Department, but spare copies of Acts will, as at present, be forwarded by the Public Department to the Translators to Government for translation. The half-yearly return submitted by the Superintendent, Government Press, showing the dates on which Acts are republished in the vernaculars and become available to the public, will continue to be forwarded in the Public Department to the Government of India.

2. All extracts from the *Gazette of India* will appear in the *Fort St. George Gazette* above the signature of the Secretary to Government in the department which orders their republication.

for *Chief Secretary.*

2nd September 1899.

To all Secretaries and Joint Secretaries to Government.
" all Departments of the Chief Secretariat.
" the Superintendent, Government Press.
