10th February 1899.

Sir,

Referring to your letter No.166 W. dated 18th January 1899, stating that certain Nuts iron, demanded in Public Works Indent No.1 of 1898, are not required, I have the *invite* honour to ~~draw~~ your attention to my letter of 2nd September 1898, inquiring what quantities of these nuts were required

In your reply No.2650 W. dated 12th October 1898 you requested that the demand might be complied with in full, and in my letter dated 11th November 1898 you were informed that the nuts would be supplied in full excepting items 396 and 400, regarding which a further reply was awaited.

The nuts with the two exceptions mentioned have been ordered and completed, and it is too late to cancel their supply. It is noted that the two items suspended, 396 and 400, are not to be supplied.

I have the honour to be, Sir,

Your obedient Servant,

The Secretary to the
Government of Madras,
Public Works Department.

Director general of Stores.
