FOR ORDERS.

In G.O. 3042 W dated 28 November 1898, sanction was accorded to the entertainment, for 3 months, of the temporary Establishment required for the Bhavani Cauvery Reservoir Investigation. This Establishment includes 50 lascars in regard to whom the Supt g Engineer enquires whether they are entitled to Travelling allowance in the same way as the ordinary permanent lascars.

2. It is clear from article 1133(a) C. S. Regs that they are not. This article says that the pay of the officers named in Appendix 22 has been fixed so as to compensate them for the cost of ordinary journeys, and that

Flag D

As the pay of these men was evidently not fixed with the idea that it should compensate for travelling the view of the Examiner that they may be paid travelling allowance at the usual rates may be accepted.

Curl

that they are therefore not entitled to travelling allowance for such journeys. The lascars in question fall under item 31 of appendix 22, i.e. "Petty Establishments expressly engaged for services in the field." Seeing that the C.S. Regulations are so precise on this point it is not clear how the Examiner's Office could have assumed, vide para 3° of his office note, that the pay of all lascars on the petty establishment, has not been fixed so as to compensate them for the cost of ordinary journeys.

3. It is quite possible that in proposing the present rates of pay to the lascars in question the Supdg. Engineer overlooked the provisions of article 1133(a) C.S. Regulations and thus fixed the rates of pay on too low a scale; but the remedy for this is not to wrench the

travelling

° Flag D

travelling allowance rules as the Examiner has hitherto done and the Superintending Engineer now proposes to do, but to increase the rates of pay.

Copy of letter from ~~the~~ J.C. Latminie Esq: Superintending Engineer Special duty Bhavani Investigation to the Examiner P.W. Accounts Madras & Coorg

Has the honour to request favour of his opinion as to whether the temporary lascars employed under the undersigned are entitled to the Travelling batta allowed to ordinary permanent lascars. They cannot be considered as coming under the head Petty Establishment as defined in Appendix No: 22 C.S.R. entry No: 31. As no Copy of G.O. 3042 W of 28 November 1898 has been sent to the undersigned he is ignorant as to the head under which his Establishment has been sanctioned.

EXAMINER, P. W. ACCOUNTS.

Madras, 11th February 1898.9.

OFFICE NOTE No. 178 A/2

To
W.

In G.O.No.3042 W dated 28th November 1898 sanctioning the entertainment for 3 months of the temporary establishment required for the Bhavani Cauvery Reservoir Investigation provision is made for 50 lascars as follows:

For Superintending Engineer
I on ....Rs: 8/-
3 ,, ... ,, 7/-

For Assistant Engineer
4 on ....Rs 7/-

For Surveyors
42 on .... ,, 7/-

2. The Superintending Engineer on special duty, in his letter (copy enclosed) enquires whether the lascars in question are entitled to travelling batta.

3. The practice in this offic has been to admit Travelling Allowance to all lascars on the Petty Establishment, apparently on the ground that the pay has not been fixed so as to compe

compensate them for the cost of ordinary journeys, vide Article 1133 (a) C.S.R.

4. There seems no reason why the lascars sanctioned for the Bhavani Cauvery Reservoir Investigation should be treated differently, and I would request that -- orders of Government may be obtained on Superintending Engineer's letter and the general practice with reference to item 31 of Appendix No.22 of the C.S.R.

OCTOBER.

Transit pay and Travelling Allowance to Temporary Employes

Letter from the Government of India interpreting the rules for the grant of — on transfer, communicated to officers of the Public Works Department, with remarks.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers :—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, the 20th August 1898, No. 2589 G.

[Transit pay and travelling allowance to temporary employés on transfer.]

Certain references recently made to the Government of India in connection with the grant of travelling allowance to temporary employés on transfer have shown that the rules on the subject are not clearly understood and acted upon, and, as it is desirable that there should be uniformity of procedure in this matter, I am directed to state that the intention of the rule in paragraph 80, Chapter IV, Volume I, Public Works Department Code, is that temporary employés are not *ordinarily* entitled to transit pay and travelling allowance. When, however, temporary employés are engaged for general duties to supplement the permanent establishment, as is often the case, and not for particular works, it is within the competence of the Local Government or Administration to transfer them according to the necessities of the public service in the same manner as the ordinary permanent staff, and, in accordance with the rule quoted, to grant transit pay in such cases.

2. I am also to explain that when the transfer has been so ordered, and transit pay granted by the *Local Government or Administration*, this order should be held to carry with it the grant of the usual travelling allowance under Civil Service Regulations 1101 and 1203, subject always to the approval of the Controlling Officer.

Office-note from the Examiner, Public Works Accounts, dated 21st Sept. 1898, No.——.

Order—No. 2566 W., dated 5th October 1898.

Communicated to officers of the Public Works Department for information and guidance in supersession of the orders contained in G.O., No. 1812 W., dated 23rd July 1895, as regards temporary employés.

2. In future, the order sanctioning the appointment of a temporary Engineer, upper subordinate or other person falling under article 1191 of the Civil Service Regulations will be held to carry with it the grant of the usual travelling allowance under that article and under article 1101.
