Coimbatore 10th March 1899.

From

A. H. Garrett Esq.

Superintending Engineer,

Fourth Circle, Coimbatore.

To

The Chief Engineer

Public Works Department, Madras.

Enclosures.

Sir,

I have the honor to inform you
that since writing my No. 71 dated 13th February 1899,
I have inspected the Sub-Registrar's office at Palghat.

2. This building is not after a type
design but it is borne on the Executive Engineer's
Register of Buildings, and after seeing the kind
of work which is being done departmentally by
the Sub-Registrar, I am more than ever impressed
with the necessity for passing orders which will
prevent works in our charge being altered or
added to without consulting the responsible
authority.

I have the honor to be.

Sir
your most obedient servant

A. H. Garrett

Superintending Engineer,
Fourth Circle, Coimbatore.
