GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From W. C. DEMORGAN, Esq., M.I.C.E., Executive Engineer in charge, I Circle, to the Chief Engineer, Public Works Department, dated Waltair, 7th February 1899, No. 129 G.L.

In continuation of my letter No. 160 G., dated 25th January 1899, I have the honour to submit, herewith, the usual proposition statement of the temporary establishment required in the Ganjám and Vizagapatam divisions for 1899–1900, for your approval and sanction of Government.

2. The temporary establishment for which renewed sanction is now solicited has been covered by sanctions to end of 1898–99 except in the following cases:—

Ganjám Division.

(1) *Draftsman on Rs.* 50.—The sanction accorded in G.O., No. 1570 W. of 23rd June 1898, was for one year and as no qualified candidate was immediately obtainable, one was appointed with effect from 10th September 1898, so that he will have worked for a period of 6 months and 20 days to end of the current official year. As the work proposed in Chief Engineer for Irrigation's memorandum No. 3 G., dated 8th March 1897, is only half done, a further extension of six months is applied for in 1899–1900.

(2) *Three Superintendents on Rs.* 20 *each.*—Of these, one is intended for the Russellkonda reservoir, the other for Galleri channel head works and the third for the Suradá reservoir.

(3) *One Hospital Assistant on Rs.* 62 *and one peon on Rs.* 6.—This establishment has to be continued on account of the construction of the new Kalingia Ghât road.

Vizagapatam Division.

(1) *Two clerks for the Division office at Rs.* 20 *each.*—Out of these two, one was sanctioned in G.O., No. 2456 W., dated 23rd September 1893, in place of a store-keeper and his continued employment is absolutely necessary. The second temporary clerk is employed in the correspondence section of the office, as the two permanent clerks without assistance would inevitably fall into arrears, owing to the increase of work on account of (1) transfer of irrigation works in Palakonda taluk; (2) addition of Kasimkota estate works; and (3) reconstitution of the Koraput sub-division. Under these circumstances, the retention of the second temporary clerk is considered indispensable.

(2) *One draftsman on Rs.* 35.—As the services of the water works draftsman will be dispensed with after the close of the official year, any drawing work in connection with it devolves upon the Division office. To meet this demand and the increase of drawing work consequent on the additional work mentioned above, a draftsman on Rs. 35 is provided for the Division office in place of two men on Rs. 50 and 20 to be dispensed with.

Gódávari Eastern Division.

In the proposition statement already submitted, an assistant clerk on Rs. 15 was provided for the Rajahmundry sub-division for 1899–1900. The Executive Engineer has not yet submitted reasons for the employment of this additional clerk. When received from him, they will be forwarded.

SIR,

In continuation of my lette No. 160 G of 25-1-99, I have the honor to submit herewith the usual proposition statement of the Temporary Establishmen required in the Ganjam and Vizagapatam Divisions for 1899-1900, for your approval and sanction of Government.

2 The temporary Establishment for which renewed sanction is now solicite has been covered by sanctions to end of 1898-99 except in the following cases.

Ganjam Division.

(1) Draftsman on Rs 50. The sanction accorded in G. O. No. 1570 W of 23-6-98 was

for

r one year and as no qualified candidate was immediately obtainable, one was ppointed with effect from 10th September 98, so that he will have worked for a eriod of 6m & 20 days to end of the current fficial year. As the work proposed in hief Engineer for Irrigation's Memo No. 3 G of 8-3-97 is only half done, a further extension of 6 months is applied for in 1899-1900.

(2) Three Superintendents on Rs 20 each. Of these, one is intended for the Russellkonda reservoir, the other for Galleri Channel head works and the 3rd for the Surada Reservoir.

(3) One Hospital Assistant on Rs 62 and one peon on Rs 6. This Establishment has to be continued on account of the construction of the new Kalingia Ghat road.

Vizagapatam Division.

(1) Two clerks for the Division office at Rs 20 each. Out of these two, one was sanctioned in G.O. No. 2456 W of 23-9-93 in place of a store keeper and his continued employment

is

vide in file 2327C

is absolutely necessary. The 2nd tempor clerk is employed in the correspondence d of the office, as the two permanent clerks wi-out assistance would inevitably fall in arrears, owing to the increase of work on account of (1) transfer of irrigation works in Palakonda taluq (2) Addition of Kasimkota Estate works and (3) reconstitution of the Koraput SubDivision. Under these circumstances the retention of the 2nd temporary clerk is considered indispensab

2. One Draftsman on Rs 35. As the services of the water works draftsman will be dispense with after the close of the official year, any drawing work in connection with it devolves upon the Division office. To meet this demand and the increase of drawing work consequ on the additional work mentioned above, a draftsman on Rs 35 is provided for the Divisio office in place of two men on Rs 50 & 20 to be dispensed with.

Circulated to H.E. the Governor.

FOR ORDERS.

On 15.5.95 the Sub Divisional Officer, Vellore, reported to the Ex: Engr. N. Arcot Division, that Mr McArthy, District Forest Officer, had been occupying a portion of the Forest Office at Vellore as his private residence from about the 15th March 94. The Executive Engineer thereupon called upon Mr McArthy to state what portion of the building was occupied & from what date. Mr McArthy however repudiated any obligation to pay rent; & a lengthy correspondence took place between him & the Collector.

On 12.2.96 a bill, amounting to Rs 190-0-3, for rent due by Mr McArthy to end of June 1896, was sent to him for paym

DW
CW

P. W. 43

at he objected to the rent emanded on the grounds

1) that he had been charged rent for a period he was not in occupation, &

2) that he must be recompensed for improvements effected by him at a cost of Rs180 before the building came under the charge of the P.W.D.

The Board of Revenue considers that the amount of rent to be recovered from Mr. McArthy requires reconsideration with reference to the following remarks:-

(1) that the rent should be calculated merely on the portion occupied by Mr. McArthy as a residence, & not on the whole building as appears to have been done

(2) that Mr. McArthy's statement that he did not occupy the building until 3 months after the date mentioned by the Sub Divisional Officer must be accepted; that Mr. McArthy should be exempted from payment of

of rent for the 4 months he was absent on privilege leave; & that it would be inequitable to apply to Mr. McArthy's case the P.W. rule that an officer must report the date on which he vacates a public building on penalty of being charged rent during the period of his absence.

& (3) that having regard to the fact that Mr. McArthy was at the outset clearly under a *bona fide* misapprehension as to the department that was in charge of the building, & incurred considerable expenditure by reason of that misapprehension, the Board considers that he is equitably entitled to receive a

set-off

set-off against the claim now made in the shape f the value of the improvements which he executed & apparently left to his successor. Should the thatched verandah which he added not be considered an improvement to the building, the materials should, in the Board's opinion, be sold by auction & the sale proceeds credited against the rent."

With reference to the arguments advanced by Mr. McArthy & the Bd. f Revenue, it is submitted:

(1) that the Forest Office is a Provincial building which has been borne on the registers f the P.W.D since 1881.

(2) that under para 26 Chap.

Chap X, Vol. I of the P.W. Code when a public functionary, not entitled to free quarters, occupies portion of a public office as a dwelling, the Ex: Engr. shall be authorized to claim rent. Mr. McArthy is not entitled to free quarters & must under this ruling pay rent for occupying portion of the district Forest Office as a residence.

(3) that with reference to the Bd's remark that he should be charged rent merely for the portion occupied as a residence, it will be seen from the Supt. Engr's letter flagged K that, Mr. McArthy occupied as his residence the upper storey of the building with godowns & stables, & the lower portion

of the building was used for
an office. The rent charged,
Rs 5-8-0, was certainly
moderate. Mr McArthy,
it is understood, draws
a salary of Rs550.

(4) that as Mr McArthy
states that he did not occupy
the building until three
months after the date mentioned
by the Sub Divl.
Officer viz: 15 March 94, his
statement may be accepted
& the bill revised accordingly
Further he may be exempted
from payment of rent for
the period of 4 months when
he was absent on leave.
Had Mr McArthy mentioned
these facts before, a good
deal of correspondence
would have been avoided,

(5) Finally as regards
the Board's opinion that

Mr.

Mr McArthy should be
compensated for the verandah
erected by him, to
suit his own convenience,
by receiving its value as
a set-off against the
rent; attention is drawn
to para 23, Chap X, Vol I
of the P.W. Code which reads
as follows. "... persons occupying
public buildings on
rent are prohibited from
making alterations even at
their own expense, unless with
the express concurrence of
the Ex: Engr. The fact of
any additions or alterations
being made by the tenant
confers no right of ownership
on him, nor can the fact
of the occupant having made
additions or alterations at

his

his own expense be considered as giving him any claim to a set-off against, or diminution of, rent. These conditions should be entered in the agreement or lease".

Under this ruling Mr. McCarthy cannot claim the value of the thatched verandah erected by him, as a set off against the rent.

The claim of the D.P.W. as set out in this Note is accepted, except as regards that made in para. 5. Mr. Macarthy may be allowed a set-off, of the present value of the materials of the thatched-roof.

Note

When Mr Mc arthy was District Forest officer of N. Arcot, he ~~was occupying~~ occupied a portion of the office at Vellore as his residence from about the middle of 1894 to the end of January 1896. When a bill for the amount of rent due for the above period was sent to the D. F. O ~~he~~ by the D. P. W. D he raised objection to the payment of rent for seven months (during which time, he stated, he did not occupy the building) and contended that in the event of rent being charged for those seven months, the sum of Rs 180 spent by him in roofing a veranda should be refunded. The period of seven months referred to above consists of three months (beginning from the 15th March 1894) ~~the~~ before the quarters were actually occupied by the D. F. O and also of four

(probably 1897) — although given as 1896 in para 3 of the Suptg: Engineers letter d 4.10.98) G onths during which he states e was away from the district. This atter period of four months is onstituted apparently by the two rms of privilege leave sanctioned i G.O's 1427 mis d 5.4.95 and 533 mis d 23.4.96.

2 In its endorsement in G.O 4135 mis 22.10.98, the Public Works Department referred the papers relating to the objection taken by Mr McCarthy, for remarks as to whether he has any claim on Government for rent free quarters. The Board of Revenue to which reference was made has not specifically reported on the point referred to in the P.W.D endorsement; but from the fact that in the Current the Board questions, not the liability of the D.F.O to pay rent, but only the amount of rent due by him, it may be gathered that he is not entitled to rent free quarters.

Secy

The Board contentions (1) to (3) seem all just. Submits that the papers may be transferred to the P.W.D for consideration. (The file was it is regretted is, not sent up before this [illegible] an oversight) 12-2-99

Sir,

In returning the papers forwarded with your No 789C dated 3rd February 1899, I have the honour to remark with reference to the Board's 1st contention that Mr McCarthy occupied as his residence the upper storey of the building with godowns and stables, and that the rent charged was certainly moderate. The lower portion of the building was used for an office.

2. With regard to the date from which the building was occupied, Mr McCarthy was asked by the Executive Engineer

Engineer to furnish this information in his No. 895 of 25th September 1895. Mr. McCarthy however did not reply but on a bill being sent to him for rent from 15th May 1895 to end of January 1896, he represented that he had been charged rent for 4 months and 23 days when he had not "occupied the rooms as a residence."

3. On being asked to give the dates when he had not occupied the rooms he sent the reply of which enclosed is a copy. He was then informed by the Executive Engineer that the periods for which rent was objected to, seemed to refer to periods of absence on tour and no remission of rent could be claimed.

4. If Mr. McCarthy had informed the Executive Engineer, when requested to do, so of the date on which he first occupied the building, and also explained that he

~~[illegible]~~ 3 mnths & 29 days

was absent for 3 months on privilege leave a lot of correspondence would have been avoided.

5. With reference to compensating Mr. McCarthy for the cost of the Verandah erected by him the point can only be decided by Government.

I have the honor to be,
Sir,
Your most obedient servant,

Superintending Engineer
