ns of surrender :-

Lighthouse works - Rs 1.12.300

Cocanada dredger - Rs 95.000

Reclamation of foreshore Mangalore Rs 10.000

The surrender in the case of Lighthouse works is chiefly due to the non-receipt of Lighthouse apparatus for which an indent has been sent to England.

As regards the Cocanada dredger intimation has been received from the Secretary of State that the dredger will be got out in about 8 months. Full provision has been made for this item in the budget for 1899-1900.

As regard to item (3) Reclamation of foreshore Mangalore, the Supdtg Engineer IV circle has reported that the estimate for the work is under consideration in the Executive Engineer's office.

As there are no demands against surrenders held in reserve it is proposed to replace the amount at the disposal of the Financial Dept.
