The necessity for this work arose after the appointment of a Stationary Magistrate, whose Office was located in the Taluq Office when the accommodation was found to be insufficient. The Collector of Tanjore, in his letter No. 1902/24-4-97, first proposed the construction of a new building to suit both Offices, but the Government, in its order No. 3242 of 28th June, 1897, called for a full report on the necessity of erecting a new Office. On this, the Collector, Executive Engineer, & Deputy Collector of the Division met in consultation on the
