The Chief Engineer,

for Irrigation

Under paragraph 79, Chapter
18, Volume I of the Public Works Dept.
Code, I have the honor to request that
sanction of Government may be obtained
to the execution, by this department, of
the contribution work noted below.

2. An estimate amounting to Rs 305 for providing needle shutters to the sluices of Puthur weir in the Wyakondam Channel, Trichinopoly Division, has been prepared, and agreeably to your Memo No. 25⁺ TC of 16 July 1896, forwarding a revised statement showing the names of the contributors & the proportionate share they should contribute towards the repairs & cost of irrigation works in which they are interested.

The contribution to be paid by those interested in the work comes to Rs 3-1-8 as shown in the margin.

3. The collector has been addressed to recover the

above sum and that officer in return.

-ing the estimate counter-signed states

that the Head quarters Deputy Collector

has been requested to collect and credit

the amount of contribution in favor of

this department, and the result will be

intimated in due course.

4. As it is not considered desirable

to postpone the work till the contribution

is recovered, orders are requested to com-

-plete the work from Government funds,

the contribution being credited to the

work after it is recovered.
