EXAMINER,
P. W. ACCOUNTS.
MAR 1899
No.

Letter from Capt A. Willis R.E. Executive Engr Kistna Northern Division, to the Superintending Engineer, 2nd Circle, No 588 dt. 24th Feby 99.

I have the honor to inform you that the nearest Railway Stations and Telegraph Offices to the Nunyam Project works are on the Nizams State Railway within the Hyderabad State.

4th Such plans only Halli Sicca Currency is accepted and Commission for changing British currency into this Currency is charged.

2. Consequently when Railway fares and freights and telegraph charges have to be paid on account of Govt Services, travelling on duty &c, this Commission has also to be paid. This was passed by the Examiner of Accounts again and again during the last few years while the works have been in progress but this officer has lately objected to the charge and disallowed it on the plea that "there is no rule under which the claim for commission for converting British Coin into Halli Sicca Dubbas can be admitted".

3. As it is obviously a necessary, although a very petty charge, I would

ask that Government be moved to make a rule under which the charge may be passed in this and other similar cases.
