PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Inspector General of Registration, Madras,
G. No. 1255, dated 24th February 1899:—

I have the honour to state that the Subregistry Office at Talavadi in the Coimbatore District is held in an old Taluk Cutcherry building which is very leaky and is reported to be quite unsuited for a registration office. The Executive Engineer who inspected the building is of opinion that "the building is past repair and a new building should be constructed for the Subregistrar's office." The Registrar reports that no better buildings are available in the locality, either public or private.

2. I have, therefore, the honour to ^{request} ~~report~~ that Government will be pleased to issue orders for the preparation of plan and estimates for the construction of a building on the standard design A for smaller offices approved of in G.O. No. 1061, Judicial, dated 9th July 1898.

3. The results of the working of the office for the last three years are as follow :-

year	Registrations	Receipts
1895-96	168	140
1896-97	182	166
1897-98	256	228

x B.M. 2016 W 8/10-8-98

ORDER No. 400, dated 6th March 1899.

The Inspector General's proposal is approved; and the necessary orders for the preparation of plans and estimates will be issued in the Public Works Department.
