demi-officially that it is inconvenient for Mr Handcock to start for Bellary in sufficient time to admit of his relieving Mr Clerk on the 1st proximo, and suggests that the transfer be delayed until the working season is over, i.e. until the advent of the S.W. If this is done, Mr Mullings, Assistant Engineer, 3rd grade, who is the Senior Sub-Divisional Officer in the Bellary Division, can hold the Divisional charge, until relieved by Mr Handcock or until further orders.
