England. The Suptg Engineer subsequently reported that the iron work could not be done before the close of the official year and surrendered the grant of Rs. 6.11.8 provided in the budget. The surrender was accepted in G.O. No. 621 W dated 1st March 1899.

of the Board of Revenue

from Mr. Thomson, stating that it would be well
for an iron shed which Messrs. Burn and Co. constructed
for the Collector of South Arcot, under a mistaken impression
that it had been ordered by that Officer, could be utilised
for the warehouse Mangalore. This was referred to
the Suptg. Engineer, Tu arke, who reported that
the shed would suit the site available at Mangalore.

The Suptg Engineer was thereupon requested to arrange for the purchase of the shed, and to apply for an allotment of funds if the purchase could be effected before the close of the official year.

An allotment of ~~Rs 500~~^{4.500} has been applied for, which it is proposed to make.

The S. E. is aware of the cost of the shed erected for use at Postonovo, as the estimate of Rs 4,246 and the D. Q. from Mr. Thompson were sent to the S. E.

It is not known in this office what price has now been settled for the shed, and it will be seen from the last concluding sentence of Mr. Thomson's D/O that ~~the~~ Messrs. Burn & Co. would accept less than Rs 4,246.

It is also not understood as to what would be the cost of conveying the shed from Madras to Mangalore.

To be on the safe side, it was thought that it would be well to call on the S. E. to ~~be~~ report the amount required.
