G.O.	No.	Department.	Date.	G.O.	No.	Department.	Date.

Note - On the 30th August last
Temporary Overseer P. Ramaswami
Nayudu in charge of the water
works at Pannur, Vellore district
sent two cheques for Rs 243-8-4
& Rs 72-11-9 by a temporary
R. Razu to the Udayagiri

Treasury for encashment. The
lascar not having returned, the
matter was reported to the
Police on 5.9.98, and the Tahsildar
of Udayagiri was requested not to cash the
cheques if presented. The latter
however reported that the cheques
had been cashed by the ~~lascar~~
on 31.8.98.

The Police have obtained no
clue as yet, & the case is still
under investigation.

The lascar, although a temporary
hand, is stated to have been
employed for many years in the
Angam Project, & was reported to
be trustworthy. No suspicion
of the non-appearance of the man
if the money appears to have been
owned till the evening of the 2nd.
On the 3rd another man was
seen to see what had become of the
car, & on his return on the 4th with
news that the lascar could not
be found, the matter was reported
to Police.

In these circumstances, there is
no alternative but to write off the
amount stolen. ASK

Note for His Excellency the Governor

With reference to
His Excellency's remarks dated
18th Decr. 1898, it is submitted
that there is no general
rule prohibiting temporary
peons & lascars being entrusted
with money. The employment
of such men in monetary trans-
actions is entirely a matter
of discretion. In many cases
as probably in this one, there
is no alternative but to use
the services of temporary or
acting peons. A general order
prohibiting the entrusting of
temporary men with money
would be unworkable where
the entire establishment of
peons consists of temporary
men, as must frequently be

The draft order of 15.12.98 is now
passed. A.S.H. 4.1.99

Copy of letter from L. L. Wickham Esquire, Executive
Engineer Welland Division to the Superintendent Engineer

With reference to your N^o 1045 M
dated 21st September 1898, and N^o 7164 M of 26.10.98
I have the honor to inform you that the person
was engaged by the overseer, as he was for many
years employed as a temporary person in the Niagara
Project and reported to be trustworthy.

2. The Superintendent of Police reports, that
the case is still under investigation and no
clue has yet been obtained. Vide copy of his letter
N^o 1188 dated 17th November 1898 enclosed. ^{General} ~~Copy~~
and the delay of 5 days in reporting the matter
to the Police the overseer explains that on the
30th August, he sent the person to cash the cheque
at the Lidayagini sub treasury on the 30th 2denth &
that he expected the person with the money on the
evening of the 1st September but as he did not
turn up that evening, he naturally thought
himself that perhaps the cheques might not have

been cashed on the 31st August, being last day of the month. Seeing that he did not turn up the 2nd evening also, he sent a man on the 3rd to enquire after his whereabouts, thinking that he might have fallen ill or attacked with cholera which was then prevalent and the man returned on the 4th evening with the news that the poor could not be found. The poor's absence then caused some suspicion as to whether he was robbed or murdered and on the following morning the matter was reported to the Police.

From the above it will be seen that there was no delay in reporting the matter to the Police.

I request that sanction of Government may be obtained to write off the amounts which is outstanding unadjusted in the miscellaneous advance account.
