In G.O. No. 2213 W, dated 13 August, 1897, sanction was accorded to the entertainment, for 3 months, of a draftsman on

Rs ³⁰~~22~~ and 3 Surveyors on Rs 70 each per mensem for the investigation of Irrigation projects in the Nellore Division. This sanction was extended for a further period of 3 months, vide G.O. No. 1752 W dated 11 July 1898.

With his endorsement No. 1281 N.L., dated 25 November 1898, the Deputy Engineer submitted a revised proposition statement, in which the total cost of the establishment was entered as Rs 1297 against Rs 1440 already sanctioned. This statement was approved in G.O. No. 101 W, dated 11 January 1899. It is now reported that the services of the Surveyors were continued for finishing up the field work of the projects investigated, consequent on the alterations and additions subsequently found necessary for completing the estimates. The original sanction of Rs 1440 has thus been exceeded by Rs 208. It is proposed to sanction the application.
