Letter from J. T. Wilson Esquire, Executive Engineer
Kristna Eastern Division to the Superintending
Engineer II circle, dated 14/5 March 1899 No 809 S.B.

I have the honor to bring to
your notice that a sum of Rs 23-11-5 is out-
standing in my accounts as rent due from
Captain W. M. Ellis R.E. at the enhanced
rate sanctioned in G.O. No 873 W of 31-3-98 for
the occupation of Executive Engineer's residence
at Bezuvada from 1st April to 18th May 1898.

2. The G.O. referred to was received in
this office on 7th May 1898 and was not
communicated to him before he went on
leave on the 18th May 1898 as I was under
the impression that it had been communicated
to him direct.

3. As under G.O. No 2660 W of 18-10-93
alterations in the rents of residences came
effect only from the date of serving the notice
on the occupants, I have the honor to request
that you will be good enough to accord
sanction to write off the dues referred to for

the accounts
No. 1684 Dated 24th March 1899

copy. Submitted to the Chief
Engineer Public Works Department for favor
of sanction.

Yours faithfully,
Superintending Engineer.

At the office of the Superintending Engineer,
Public Works Department, on the 24th day of March 1899.
The accounts of the Public Works Department for the year 1898-99 have been submitted to the Chief Engineer for his consideration. The accounts are in conformity with the rules and regulations of the Department and are found to be correct and complete. The Chief Engineer has no objection to the same being submitted to the Government for sanction.
