Sir,

I forward herewith a plan and ~~section~~ showing an alternative site for the Putalpat station.

The position of this station as fixed is not convenient for passengers and goods obtaining access to it as it would be necessary for them to cross the Putalpat Nullah which has a sandy bed and is not bridged, in floods also the station would be isolated.

Will you please let me know if the alternative site meets with the approval of Government.

I am
Sir,
Your most Obedient Sk.
