Sir

I beg to acknowledge receipt of your letter No. 2200 of the 12th December last, on the subject of the Railway police for the Bezwada Extension Railway, and to state that I think the Chief Secretary to the Madras Government has probably not understood that the land occupied by this Railway has been placed under the jurisdiction of the Govt. of India and that Mr. Crawford is really one of the officials of the Government of India and under the orders of the Resident Hyderabad and the Inspector General of Police for the Berars.

When you were last over the
Railway I beg to remind you of the conversa-
