SIR,

Running drivers & Firemen's
bungalow at Renigunta.

I have the honour to forward
herewith an estimate, with plan N-2719
for the proposed running drivers and
firemen's bungalow at Renigunta North
West Line submitted at the last official
Meeting and Stores Committee.

The required expenditure on
this work is Rupees 7,778, chargeable to
Capital, to which I trust Government
will be pleased to accord their sanction.

As to the necessity for the work
the Ag. Loco. Superintendent writes
as follows:—

With regard to the new Bungalows
for running Drivers, this is rendered
necessary

necessary in consequence of a decision that was come to at the general Inspection that the present Bangalore should be made over to the Traffic Department for conversion into quarters for the resident guards which that Department much needs, a new building being built on the Loco: side of the compound for our men's use. The present building is on the Traffic side.

I concur in the views expressed by the Ag. Loco. Superintendent.

Information as to provision in the Budget and the date on which the sanction will lapse is given on the estimate.

I have the honour to be,
Sir,

Your most obedt. servant.
