PUBLIC WORKS DEPARTMENT.

Read the following paper :—

From the Consulting Engineer for Railways, dated Madras, 31st March 1890, No. 228.

From the Acting Agent and Manager, Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 21st March 1890, No. 5220/315.

I have the honor to request that sanction may be communicated to me for disbursement to Mr. E. W. Stoney of an allowance of Rs. 30 per month for extra tentage whilst in charge of the Chitrávati and Pennér bridges.

2. With reference to this the Chief Engineer asks whether it is necessary in all cases to obtain special sanction for disbursement of such an extra allowance to each Engineer in succession who may be placed in charge of works for which the allowance has once been granted. This in consequence of a remark by the Government Examiner to the effect that the allowance granted to Mr. Ellis whilst in charge of the Pápaghni and Pennér bridges was a personal one and that consequently a similar allowance to his successor in the double charge would require special sanction of Government before it would be disbursed.

Submitted for the orders of Government with reference to G.O., No. 506 R., dated 7th May 1889.

2. The allowance is recommended for sanction.

ORDER—dated 14th April 1890, No. 511 R., Public Works.

The claim to extra tentage allowance, viz., Rs. 30 per mensem, for Mr. Stoney, is sanctioned.

2. The disbursement of this allowance in all cases when a change is made should be submitted for the sanction of Government.
