Calcutta, the 14th March 1890.

SIR,

A proposal has been received by the Government of India that non-military prisoners should be carried by railway on Warrant Credit Notes.

2. The object of introducing this revised system is to prevent fraud in the case of a constable in charge of prisoners purchasing tickets for his party as ordinary passengers after being provided by the jail authorities with the full amount due for reserved accommodation; or else of a warder, in charge of a released prisoner who is a resident of a distant district, sharing in the railway fare which has been paid for the released prisoner to reach the station nearest his dwelling, and allowing the latter to travel a shorter distance or to remain behind in the station in which he has been released.

3. The Credit Note system has been accepted by the East India Railway Company, and the Government of India will be glad to see it introduced wherever Civil authorities can arrange matters satisfactorily with the Railway Administration concerned.

I have the honour to be,

SIR,

Your most obedient Servant,

M. C. BRACKENBURY, Major, R.E.,
