MADRAS.

Sir,

With reference to my letter No 703 of the 19th ultimo, I have to call your attention to the following Report which I have received from the Chief Engineer:-

"I shall be glad to receive early orders
"as to Colonel Grassy's successor- Col. Grassy is
"still at Bellary, and as he is in daily expectation of
"being relieved, he cannot well go out on inspection
"and, at the same time, until relieved, he cannot
"take up his new appointment as Officiating Consulting
"Engineer to the Government of Madras. There is
"thus no officer doing inspecting duty between
"Pakala and Guntakal at a time when it is
"important that this duty should not be neglected"

I am
Sir
