From

To

The *Consulting Engineer for Railways.*
Madras.

SIR,

Your No. 565 d/ 30th June 1890.

I have the honour to accept in behalf of the Madras Railway Company the general rules for working of Railways under construction and not open for traffic as modified in the accompaniment of Government of India letter No. 233 R. T. dated 12th June 1890.

2. As to this the Traffic Manager writes:—

"I see no objection to the alterations

"proposed in rules 7, 16 and 25 of
"the General Rules for Railways
"under construction. It is pre-
"sumed that the alterations have
"been suggested owing probably
"to a legal difficulty in enforcing
"imprisonment.

"I formed one of the members
"of the Sub Committee that sat at
"Simla to prepare rules for work-
"ing railways under construction,
"and I beg to recommend that
"the rules recorded in Appendix
"M. of the proceedings of the Railway
"Conference of 1888 be accepted by
"the Madras Railway.

"The rules do not of course
"affect us at present as we have no
"Railways under construction".

I have the honour to be
Sir
Your most obedt Servt.
