From

The AGENT,

To

The CONSULTING ENGINEER FOR RAILWAYS,

MADRAS.

Sir,

With reference to your letter No 552 of the 31st May last, and to our conversation after the last official meeting, I have to state that all I wish to know is whether the drawings submitted with my letter No 803 of 28th June 1889 have received the approval of Government and may be adopted in constructing the carriage stock of the Villupuram Coimbatore State Railway. The Locomotive Superintendent states that drawing No 37 was arranged either entirely as a first class, or entirely as a second class, or can be made as a Composite carriage.

I am

Sir,

Your most obedient servant,
William B. B. B.
