Public Works Department Resolution No. 2 A. G., dated 9th January 1890.

OBSERVATION.—In the above quoted resolution it was decided, with a view to ascertaining readily the effect of the revised rules for regulating the rents to be charged for the occupation of public buildings as residences, that a fresh start be made with the accounts of such buildings, from the 1st April 1889, by omitting from the accounts all previous revenue receipts and maintenance and interest charges.
