SIR,

Sir,

I observe from the dates of the promotions notified in the Gazette of India 1 May 24. 1890 that some officers, who obtained their promotion to 1st grade Inst Eng^r permanent, on dates after that on which I attained a similar grade have been temporarily promoted 4th grade Executive before me. On entering the Railway Department I understood that I should retain my relative seniority. It would appear that, either I was mistaken in this supposition, or that I have been superseded. This matter is of considerable importance to me as affecting my prospects in the P. W. D., and I should be much obliged if you would kindly ascertain for me my exact position in the department.

I have the honor to be

Sir

Sir,

In reply to your letter No. 899 R. dated the 24th June 1890, forwarding, for orders, a letter from Captain A. D. G. Shelley R.E. Executive Engineer, 4th Grade, temporary rank, on the subject of his position in the Department, I am directed to state that in fixing this Officers position in the Railway Branch regard was had not only to the date on which, on another list, he was fortunate enough.

to

P.W.C. No. 7250

to obtain some what rapid promotion to Assistant Engineer 1st but also to his total service as compared with those of other Officers -

2. I am to add that Captain Shelley had no reason, when transferred, to understand that the Government would make any special ruling in his favour, and that the ordinary custom in making promotions is to ~~take~~ ^{take} into account all circumstances, amongst which is that of the varied rate of promotion on different lists, and the Government of India must be the sole judge of the weight to be given to such circumstances -
