Sir

Indian telegram No 5363 to Madras Pres was sent up to me with the remark by R.K. Scott: that the telegram of the 15th referred to therein was "not sent from Madras" ~~Pls~~ also with your remark "Send to Ooty".-

Under the above circumstances I was led to think that the telegram referred to was not despatched from Madras & no telegram of that date was despatched from Ooty. I thought there was some mistake in the date quoted by India - & therefore addressed to India to quote correspondence to which India's reply is attached. It now turns out that the telegram of the 15th was despatched from Madras & sent to Ooty. Please see the lost telegram from India & return it with these papers.

Sir,

If my memory is correct, I beg to state that we received another telegram with the contents of this telegram, which was sent to Ooty on the 16th instt - with necessary disposal: this telegram was already referred to A. these papers away, I think, be returned to A. Ooty.
