SIR,

With reference to
your letter No. S 10850 of
18th November 1892, I am
directed to report that the
Engineer in Chief East Coast
Railway is unable to obtain
particulars as to the exact
dimensions of the missing
plate per S.S. Lochmarea.
If you cannot send out one
12 foot plate similar to those
already supplied, the Engineer
in Chief states that he will
have to have it made in this
country, as the value of the
missing plate has already

P. W. Dept (Ry. Br.).

In his telegram record-
ed in G.O. No. 1243 R. d/
22. August. 90, the Engr. in
Chief, East Coast Railway
Survey, intimated that
from 30 to 40 thousand
tons of railway material
was likely to be landed at
Gopalpur. In his letter
in G.O. No. 765 R. d/ 25th
March. 91, the same offr.
intimated his intention
of landing 60,000 tons at
Gopalpur; and in the
order quoted the Govt:
approved of the pier being
used for the landing of
stores "in its present
condition". It has been
finally decided not to
lengthen the pier, but the
question whether the
pier shall be scraped and
painted has not yet been
disposed of. To admit of
this, will you kindly
