P. W. DEPARTMENT.

Read the following:—

FOR ORDERS.

It has been brought to the notice that para 1219 of the Code renders it incumbent on the Chief Engineer to consult his colleagues only as regards the transfer of executive officers, and that such consultation is equally desirable with regard to administrative officers.

No difficulty on this point is likely to arise at present, but it is conceivable that under certain circumstances difficulty might arise and the Chief Engineer

for suggestion therefore
suggests that the word
"Executive" in line 5 of para
219 be omitted.

The undersigned concurs
in this suggestion.
