Endorsement of the Public Works Department, dated 28th May 1890, No. 190 A., submitting for sanction a statement shewing the strength of the police guard employed on each survey division of the East Coast Railway.—

And letter from the Ag. Inspector General of Police, Madras, dated 14th July 1890, No. 3982.—

With reference to the endorsement of Government dated 9th June 1890 on letter from the Consulting Engineer for Railways herewith returned, I have the honor to state that the strength of Police guards shown in the statement which accompanies the above reference varies slightly from the actual force supplied by District Superintendents of Police. A statement shewing the strength of the guards furnished to each survey division party of the East Coast Railway and the periods during which they were attached to officers in charge of those parties is enclosed.—

2.— With the exception of the guard in the Vizianagaram Division, all these special guards have been withdrawn, their further services being no longer required

by the officers by whom they had been requisitioned. —
3. — The Police guards supplied to the Divisions Nos 1
to 4 of the statement attached having been obtained
from District Reserves, the sanction of Government
for their employment was not required but in
the case of the two last named divisions, men were
specially enlisted with the sanction of Government
conveyed in their orders Nos 4 and 430 dated 21st
January, and 7th March 1890, Judicial Department,
respectively. —
