By order,

F. FIREBRACE, Major, R.E.,
Under Secretary.

No. 2213, dated 18th July 1884.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

Read—

Resolution by the Government of India in the Department of Finance and Commerce, No. 3023, dated 3rd September 1883, consolidating the orders regarding police charges on State Railways, and ruling that police charges on open State Railways shall be debited to Police, and taken against Provincial or Imperial, according as the Railway is Provincial or Imperial.

RESOLUTION.—As doubts have arisen whether the orders contained in the Resolution above read apply to charges for watch and ward, as well as to police charges proper, the Governor General in Council now rules that the orders apply only to police charges proper.

2. The watchmen and chowkidars entertained for watch and ward on State Railways are entertained by the Railway authorities, and these charges are entirely under the control of the Railway authorities. These charges should therefore be treated as charges of the Railway, and should not be debited to Police, as police charges proper are.

ORDERED that this Resolution be communicated to the Home and Public Works Departments, the several Local Governments, the Comptroller and Auditor General, and to all Accountants General and Comptrollers.

"I have pleasure in testifying that
"Mr. Grant's work has been carried out neatly and
"well. Progress has been somewhat slow but his
"contractors have been a very troublesome lot to
"deal with and a good deal of departmental
"work had, in consequence, to be undertaken."
