Mr. H. W. Bliss.

From the Acting Collector of Tanjore, to the Secretary to Government, Revenue Department, through the Board of Revenue (Land Revenue), dated Vallam, 28th September 1890, No. 677.

In continuation of my telegram, dated the 11th September 1890, I have the honor to submit copy of letter from the Agent, South Indian Railway, No. 14453/2339, dated 18th September 1890, wherein he states that there will be continuous work for the Special Deputy Collector appointed to acquire lands for the Tiruválúr-Mutupet Railway.

Enclosure.

From the Agent, South Indian Railway, to the Collector of Tanjore, dated Trichinopoly, 18th September 1890, No. 14453/2339.

[Your letter No. 257 C. of the 11th instant.]

It would seem from the following copy of a report which I have received from this Company's Chief Engineer, that there will be sufficient work in acquiring land for the Mutupet Railway to employ a Deputy Collector continuously for some weeks to come.

"The demarcation of the first 7 miles of line for which land plans and schedules were sent to you with my letter No. M.M.—C./8-14 of 1st July 1890 will be completed by about the 25th instant.

"Land plans and schedules for a further length of 7 miles will reach you in a week's time and this will be demarcated on the ground by about the 10th proximo.

"The last 16 miles of plan and schedule will also reach you by the end of the current month and the whole can be demarcated by the middle of November.

"I am not aware how long it takes a revenue official to arrange for the transfer of land, but with the data above given no doubt the Collector will be able to judge whether there is sufficient employment for a special man."

Resolution—dated 9th October 1890, Mis. No. 6448.

Submitted for the sanction of Government: the establishment proposed seems reasonable.
