Read the following paper :—

From the Under-Secretary to the Government of India, Public Works Department (General), to the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Simla, 24th September 1890, No. 2621 G.

I am directed to acknowledge the receipt of your endorsement No. 1078 R., dated the 29th July 1890, referring for orders the cases of Messrs. Buth Nath Chatterjee and Berkley, Temporary Engineers on the East Coast Railway Survey, as to whether their claims for carriage of horses and camp equipment, which are inadmissible under Madras Public Works Code, appendix N, para. 4, can be entertained.

Para. 2 of Order No. 1077 R., dated 29th July 1890.

2. In reply I am to refer to articles 1101 and 1191, Civil Service Regulations, regulating the grant of travelling allowances to temporary employés and to officers on joining first appointment, and to say that, under these rules, the Madras Government has power to sanction allowances for carriage of camp equipage, but that the amount admitted should, in each case, be carefully checked.

3. I am to add that the rule of the Madras Public Works Code (appendix N, para. 4) quoted in the Proceedings forwarded is apparently based on a circular of the Government of India, 33, Public Works, of 1878, but that this order not being contained in the Civil Service Regulations is obsolete. It was apparently in obedience to the obsolete order that the travelling allowance of the two young Royal Engineer officers were disallowed.

Order—dated 21st October 1890, No. 1562 R., Public Works.

The claims referred to in paras. 2 and 3 of G.O., No. 1077 R., dated 29th July 1890, will now be admitted subject to audit.

2. The question of the modification of the Madras Public Works Department Code will be considered in the General Branch.
