From—The Government of India, Military Department,

To—The Quarter Master General in India.

With reference to item IX of the Report of the Military Railway Transport Committee received with your letter No. 1240-A., "*Camps*," dated the 25th February 1889, I am directed to say, for the information of the Commander-in-Chief, that the Government of India accept the recommendation of the Committee, that in cases of urgent movements of troops, where opportunity has not been afforded to the Railway authorities for the transhipment of passenger vehicles at a junction or the nearest rest-camp, the "vehicle mileage" rate, as for "empties," should be paid for one way only, in addition to the ordinary payment per troop seat.

2. The "mileage" (for the "outward" journey only) and "demurrage" rates will be the same as the several Railway Administrations charge each other, under the Railway Conference Regulations, *viz.*:—

(*a*) For mileage:—Seven pies per vehicle per mile on broad gauge railways, and five pies on metre gauge lines.

(*b*) For demurrage:—Eight annas per hour on broad gauge railways and four annas per hour on metre gauge lines, when the free allowance specified in paragraph 15, Section III of the Railway Conference Regulations is exceeded.
