NOTE on the Six Months' Estimate of Revenue transactions of Villupuram-Guntakal State Railway, Nellore Branch.

Six Months' Estimate, 1890-91.

It is not proposed to alter the figures in the six months' estimate for receipts. The average monthly receipts so far fall short of expectations, but it is anticipated there will be heavy feast traffic during the next few months.

The revenue expenditure has been reduced by Rs. 24,000 entirely on account of maintenance, under which there have been large savings under establishment and repairs.

The expenditure figures for 1891-92 are framed upon the bases that 66 per cent. of the earnings will be spent on working. The receipts have been slightly increased to allow for the expansion of traffic.

The figures for 1890-91 are for fifteen months. These figures are included in the forecast of the whole system already sent forward.
