 CHIEF SUPERINTENDENT OF POLICE,

SALEM, District

Te

THE Joint Secretary to
Power

thru' the St. Supt. of Police Salem
Sir, + if necessary thru Inspr. Gen. of Police

I have the honor to —
state that I have just received
intimation from the Permanent
Way Inspector of the Madras
Railway Company, stationed at
Tirupatur, that an estimate has
been sanctioned for the extension
of the platform at Tirupatur
Railway Station. This extension
is, I am told, to be in the di-
rection of the house occupied
by the Assistant Superintendent
of Police, which is a Government
building and was purchased

Forwarded to the Sup.^d General of Police for favour of order as the matter is an urgent one; but it has been pointed out to M^r. Cas-
wick that H. J. M. should have written to his Sup.^d & not to the J. G.

Mr. Pittman - Pol
ag. Inspr. General of Cal

from the Madras Railway Company
at a cost of Rs 4000/. This extension
if carried out, will, in my opinion,
render the house of the Assistant
Superintendent of Police absolutely
uninhabitable, if not unsafe.

I beg to urge that this is the first intimation I have received of this proposed extension of the platform and I am not aware if any reference has been made to my department.

The house as at present
situated, over looks the Railway
and is only separated from it by
a wooden paling and some 30 yards
of grass walk.

The front steps and entrance to the house overlook the line of Railway and I am informed that the embankment will be entirely cut away and the platform come almost up to

the front steps of the house. This much, in my opinion, renders the foundation of the house unsafe and the house itself will be absolutely uninhabitable.

The work is, I am informed,
about to commence, but, I venture
to state that as the house is at
present my private property (as
Apostolic Superintendent of Police)
and no intimation has been
given to me, the extension as at
present sanctioned is an encroach-
ment on private property.

I have the honor to request
that before anything further
is done, a reference may be
made to Government and my
protest as a Government Servant
put forward. No other
accommodation is available in
Simpatut and until such is
provided, I most respectfully

Lt. J. M. Smith - Col
ag suppr: General of the

End. K. W. M.

The

4. The platform when lengthened out will be 7 feet below the level of the ground in front of the Superintendent of Police's house and it is furthermore proposed to build a brick wall $3\frac{1}{2}$ feet high on the top of the cutting to replace the existing wooden railing. When this is done I think the Police officers will have nothing to complain of.

5. If the proposed arrangement is approved of orders to proceed with the work are solicited.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

Proceedings of the Public Works Department, Railway Branch,
dated 2nd September 1890 N^o 432 W, regarding extension of Platform
of Tirupattur Station, Madras Railway.

Read also letter from the Inspector General of Police, Madras,
dated 1st October 1890 N^o 5620.

With reference to your current N^o 3531
dated 11th September 1890. I. D. (here with returned), I have the
honor to state that the Assistant Superintendent of Police,
Tirupattur, reports that there can be no possible objection to
the proposals of the officiating Joint-Secretary to Government
P. W. D., Railway Branch, and that the building of a
brick wall, 3½ feet high, on the top of the cutting to
replace the existing wooden railing will be a distinct
advantage.

Order dated 24th October 1890 N^o 1640
