The CONSULTING ENGINEER FOR RAILWAYS,

Sir,

I beg to inform you that this Company's Chief Engineer has thus written to me under date 18th Sept^r 1890:—

"Insp^r Ryde reported that his house was "broken into on the night of 17th June 1890 "and among other property, a Level belong "ing to the Railway was stolen and that "the matter was reported to the Police "Distt: Supdt of Police, Tuticorin, on the subject "who in reply stated that "the case therein "referred to remains on the police file as unde "-tected."

3. "The Superintending Engineer remarks "that "as far as I can see it is a genuine "case of robbery and I see no alternative "than to write off the Level as lost."

As the cost of the Level (Rs 160) Exceeds the limit of Rs 100, the approval of Government to write off the article seems necessary vide P. W. D. code. Vol III. Chapter II para 63.

I shall be obliged by your Communicating to me the necessary

Sanction of Government.
